ABOUT US

Your Experience Starts Here

We are a one stop shop for all your advanced system integration needs, from delivering quality products, to constant service support. Our team of talented specialists aim to design, install and maintain your systems. Whether it's auto-dimming lights, or home security cameras, we provide you with the best possible solutions that cater to your needs.

"Quality You Can Trust"

For more than 4 decades, Oasis Professional Electronics has been distributing high-end equipment, and providing thorough systems integration within the region, paving the way to becoming the leading supplier in turnkey solutions, at competitive rates.

Oasis offers products ranging from LED video walls, to intelligent lighting systems; we specialize in creating captivating atmospheres while maintaining a seamless flow of information using the latest in AV and multimedia technology.
